

FORM 3

Resource List

The CRT should identify what resources are available, both within the school and in the community, for students who are in crisis and in need of services. Resources should be identified in each of the following areas:

- Mental health – counseling, inpatient, and outpatient treatment
- Substance abuse treatment
- Social services
- Housing
- Education (special education, alternative education)
- Employment and training
- Community crisis teams
- Peer support
- Parent and family resources
- Law enforcement as needed
