

solutions overview

individuals

Trauma	Build relationships and mentor young people
Crisis	Develop strong skills in crisis intervention and suicide prevention
Social Proof	Monitor our own media consumption
Opportunity	Safe storage of firearms; if you see or hear something, say something

institutions

Trauma	Create warm environments; trauma-informed practices; universal trauma screening
Crisis	Build care teams and referral processes, train staff
Social Proof	Teach media literacy; limit active shooter drills for children
Opportunity	Situational crime prevention; anonymous reporting systems

society

Trauma	Teach social emotional learning in schools. Build a stronger social safety net with adequate jobs, childcare, maternity leave, health insurance, and access to higher education
Crisis	Reduce stigma and increase knowledge of mental health; open access to high quality mental health treatment; fund counselors in schools
Social Proof	No Notoriety protocol, hold media and social media companies accountable for their content
Opportunity	Universal background checks, red flag laws, permit-to-purchase, magazine limits, wait periods, assault rifle ban
